Your Consignor Number: # _____

Tagging

- **Use an entire 3X5" index card**, hanging vertically, and safety pinned (horizontally) at the top.
- **Please leave at least 1" of blank space between safety pin and ALL consignor number / writing**, to prevent your # being left on item.
- Use safety pins; no straight pins, please. Pin tags to clothes on the front of the garment – **on right side** when looking at the garment.
- Place all hanging items on a hanger, with hook facing left like a question mark (?).
- Safety pin skirts, pants or loose items to top of hanger near hook to prevent sliding and twisting of garments.
- Please do not hang items such as bibs, hair ribbons, socks and mittens on hangers. Instead, they should be placed in Ziploc® bags with the tag taped, only on 3 sides, to the front of the bag
- Place shoes in a Ziploc® bag. Tape the tag, only on 3 sides, to the outside of the bag. Shoes must be in excellent condition to be accepted.
- Tape tags on toys, equipment, books, and videos. Include fresh batteries in any electronic item you are selling.
- All movies must be G or PG rated. No PG-13 or R movies will be accepted.
- Please sort all items by sex and size before drop off.
- Don't forget! Include your consignor number!
- **Use numerical sizing** rather than small, medium, large. Include Boy or Girl and item descriptions.
- If you do **not** wish to sell an item at the half-price discount, circle its price in ink.
- If you wish to **donate** any unsold items to charity, please write a large "C" in red ink on the bottom right corner of the tag.

**** Items not tagged properly will be refused. ****
